

GRILL GUIDELINES

We are operating on the Honor System with use of these grills. By using the new grills, you agree to follow these guidelines:

1. Use of grills is on a “first come, first serve” basis, unless reserved through the property manager’s office.
2. Complete operating instructions for the grills are located in the lower compartment of each grill. For your own safety, ***please familiarize yourself with the proper operation before using.***
3. Serving utensils and cleaning products are also located in the lower compartment of each grill.
4. Grills must be *thoroughly* cleaned after each use.
5. All counter spaces must be thoroughly cleared off all food.
6. All food and trash must be totally removed from the area and placed in trashcans. Large volumes of trash must be taken to large containers in the parking lot, *not left in pool or Cabana area trashcans.*
7. Ice bin is for ice ONLY – it is not to be used as a sink. Rinsing utensils used will need to be done with the area hose or in pool restrooms.

***THESE GRILLS BELONG TO YOU
PLEASE TAKE GOOD CARE OF THEM!!!!***
