Payment and reservation of services is applicable only to lifeguards and their time. Any arrangements with the pool or facilities must be made with the appropriate party. Lifeguards are provided at your request at \$20.00 per hour per guard, in the capacity of a safety precaution only. In the event of cancellation due to weather or lack of a scheduled lifeguard, the host will have the option of a full refund or rescheduling the party. Cancellation must be made at least four (4) hours before the scheduled party time.

The lifeguard will be in attendance to enforce all rules adopted by the pool being attended, and distribute consequences of breaking rules at their discretion. At no time shall the authority of the lifeguard be questioned. Continual disregard for lifeguard command can result in expulsion from the pool of the guest and/or a cease to lifeguard assignment on the job with no refund of payment. The pool and deck area surrounding it is the responsibility of the party host and shall be left in the same order as it was found by the guests. All trash, deck adjustments to furniture, and any evidence of the party shall be properly disposed by the party. The party host will be billed additional hours spent by the lifeguard to attend to any disarray left by the party.

As the party host I understand and acknowledge these terms of hiring a lifeguard for my private party. I also understand that I am responsible for the actions of my guests. Upon payment and registration, you will get a confirmation by phone or email on the lifeguard scheduled.
